

FOOD SAFETY POLICY

Paem Company Limited is committed to a food safety policy, which ensures the receiving, processing, packing, storage and dispatch of safe and high-quality macadamia kernels.

Food safety shall be achieved through full implementation of ISO 22000:2018 Food Safety Management System standard, PAEM Company Limited, statutory, and regulatory requirements.

We shall:

- Implement and maintain an effective food safety management system based on ISO 22000:2018 International standard and continually improve its effectiveness.
- Ensure that all our processes and products comply with applicable statutory & regulatory requirements, as well as agreed customer requirements relevant to Food Safety.
- Identify, evaluate and control potential food safety hazards within the defined scope.
- Conducting inspections and scheduled audits as detailed in our FSMS.
- Communicate, both internally and externally, sufficient information regarding food safety.
- Ensuring all necessary competences related to food safety are met and maintained.
- Ensure that food safety objectives are established, monitored, reviewed and updated as necessary.

This policy shall be communicated and implemented at all levels within the company and it shall be reviewed by the top management during management reviews to ensure its continuing suitability.
